*The New England's Finest bonus money corresponds to the finishing place of invited program participants: for example, in 2008 men's marathon winner Pat Moulton, of Providence, RI received \$3,000 for the overall win and an additional \$3,000 in corresponding first-place bonus \$. Fourth place finisher Diona Fulton of Somerville, MA won \$750 and the fourth-place NEF bonus of \$500. New England Finest bonus paid only to official program invitees.*

**Prize Money Requirements:**

Races awarding prize money are sanctioned by USA Track & Field. To conform to national and international rules sanctioned events may only award prize money to those athletes with valid USATF membership.

**US Government – Federal Income Tax Withholding on Prize Money**

- To avoid a 30% tax on your prize money, U.S. and Resident Foreign Athletes must have social security number.
- Non-Resident Athletes are subject to a 30% Federal Income Tax withholding.
- For more information on USA Track & Field and on Non-Resident Tax Withholding, contact the national USATF office at 317-261-0500.
