

VOLUNTEER INCENTIVE PROGRAM

Thank you volunteers!

Thank you for volunteering with HMF! In appreciation for your time and effort donated to our organization we are proud to introduce the HMF Volunteer Incentive Program! Volunteers will automatically earn incentive points for each HMF event at which they volunteer. These points can be redeemed as HMF credit to use towards an HMF event or HMF merchandise.

HERE'S HOW IT WORKS:

Once you sign up to volunteer, you are automatically entered into the Volunteer Incentive Program. For each event you attend, you earn a point. Once you would like to redeem your points for HMF credit, simply email Nancy Loughlin (Nancy@hartfordmarathon.com). Please indicate whether you would like an online code to purchase HMF merchandise or a code to register for an HMF event. If you would like to use your credits for an event, please specify which race. You will then receive a code for that event to register with.

HMF INCENTIVE PROGRAM RESTRICTIONS:

- You must be registered through the official HMF volunteer registration site to earn points
- Incentive points will expire 2 years from the event you volunteered for (ex: if you volunteered for Red Dress Run For Women on 7.14.18 you can use those points until 7.14.20)
- You may transfer your Incentive points to anyone you designate
- If you are using your points for an HMF event, you must 'cash in' your points a week prior to the event for which you wish to register.
- All cancellation, transfer, and refund policies apply
