### Sizing Feedback from HMF Staff and Family Members:

**Matt** – typically between a Men’s small and medium. He was happy with the medium and felt it ran pretty true to size.

**Nancy** – typically wears a Women’s medium. She was happy with a unisex medium - good fit, good length in the body and sleeves.

**Ellen** – typically wears a Women’s medium or large since she needs extra length in the body and sleeves. A unisex medium fit her well wearing a light shirt underneath.

**Beth** – typically wears a Women’s medium. She was happy with a unisex medium. It was a loose fit on her which she prefers with good body length and a perfect arm length. It’s soft and cozy on the inside.

**Josh** - typically wears a Men’s medium. He was happy with a medium. Perfect athletic fit to wear regularly out and about. Fits like a correctly sized shirt, not as a throw over for lounging around the house. Body Type: 5’9”, 170 lbs.

**Bekki** – typically wears a Women’s small, she was happy with a unisex small.

**Emme** – typically wears a Girl’s size 6-7 in clothing. She is pretty lanky, the Youth Small was good for her.
