

## **PROHEALTH PHYSICIANS PACE TEAMS**

The **HARTFORD HEALTHCARE MYSTIC HALF MARATHON** offers pace leaders to help athletes achieve their goal time. There is no fee and anyone can use the ProHealth Physicians Pace Teams service.

A **pace team** is a group of runners led by an experienced leader who run together in the half marathon. The pace leader runs a steady pace and keeps track of that pace so that the group can achieve their goal of finishing the race at a particular time. There are wonderful benefits of running with a pace group. You'll be supported by a cheerful leader and will be side by side with other runners sharing the same goal as you.
