

HMF PACE TEAMS

The **UCONN HEALTH HALF MARATHON** offers pace leaders to help athletes achieve their goal time. There is no fee and anyone can use the Pace Teams service.

A **PACE TEAM** is a group of runners led by an experienced leader who run together in the half marathon. The pace leader runs a steady pace and keeps track of that pace so that the group can achieve their goal of finishing the race at a particular time. There are wonderful benefits of running with a pace group. You'll be supported by a cheerful leader and you'll be side by side with other runners sharing the same goal as you.
